ITALIAN DESIGN LIGHTING

Arte nel
tempo

LIGHT & STYLE

Arte nel Tempo è il nuovo brand che IDL, Italian Design Lighting presenta al pubblico internazionale, con creazioni di altissima qualità eseguite secondo i più eccelsi criteri della tradizione italiana. La sinergia strettissima tra segno progettuale ed esecuzione artigianale, la superba lavorazione delle strutture in ferro, la scelta di cristalli e vetri finissimi, rendono ogni creazione di **Arte nel Tempo** un oggetto unico. Destinato a comunicare valori esclusivi, nel segno di un prestigio assoluto.

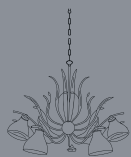

Arte nel Tempo is the new brand which IDL, Italian Design Lighting is showcasing to its international public, with creations of the highest quality which have been crafted with the most exacting standards that are the hallmark of Italian workmanship. The very close synergy between project definition and artisan production, the superb crafting of the iron frames, the choice of the finest glass and crystals, contribute to the uniqueness of each **Arte nel Tempo** item. All this to deliver exclusive values, the mark of total prestige.

Ca' Marcello, villa in stile palladiano sita a Levada di Piombino Dese (Padova), è una magnifica testimonianza dell'antica maestria degli artisti ed artigiani veneti. Un'abilità a cui **Arte nel Tempo**, nata e operante in questa zona, ancor oggi si ispira.

Ca' Marcello, a Palladian-style villa, in Levada of Piombino Dese (Padova) is a superb example of the ancient skills of Venetian artists and artesans. These are qualities that inspire **Arte nel Tempo**, which has been conceived and which practises it's art in this region.

Flame | Stile Style

Operazioni cruciali, come la saldatura, determinano la vera qualità superiore. Lo stile nasce dal pensiero, ma si concretizza solo grazie all'esperienza dell'artigiano.

Critical processes, such as soldering, determine true and superior quality. Style emanates from thought but it only becomes real in the experienced hand of the craftsman.

Flame | Manualità Hand craft

È dalla mano, da una sensibilità acquisita in lunghi anni di esercizio, che tutto ha origine. Questi abili gesti creano di fatto il valore aggiunto dell'eccellenza.

It is in the hand, which has acquired a marked sensitivity in long years of work, that all takes shape. These agile gestures create the value added that lies in excellence.

Come nella costruzione di un mosaico antico, il singolo elemento è oggetto della massima cura: in ognuno di essi risplende ben visibile la scintilla della passione.

As with the composing of an ancient mosaic, each single piece is given the greatest attention: the spark of passion can be seen emanating from each of these pieces.

Mademoiselle | Classe Class

La delicata fase di assemblaggio riunisce ciò che è stato separatamente arricchito di valore: impreziosendolo con una dote ulteriore, vale a dire l'armonia dell'insieme.

The delicate assembly phase unites what has been individually enriched with value: garnering it with a further quality, which is the harmony of the whole.

Condizioni generali di vendita | General sales conditions

1) VALIDITÀ E DIRITTO DI MODIFICA

a - Qualsiasi contratto tra I.D.L. Export S.r.l. (in prosieguo indicata come "il Venditore") per la fornitura di suoi prodotti a un cliente (in prosieguo indicato come "l'Acquirente") sarà disciplinato dalle presenti Condizioni Generali di Vendita che sostituiscono tutte le precedenti Condizioni Generali di Vendita.

b - Il Venditore si riserva il diritto di modificare le presenti Condizioni Generali di Vendita, allegando tali modifiche alle offerte, alle conferme o a qualsivoglia corrispondenza inviata all'Acquirente.

2) ACCETTAZIONE DEGLI ORDINI

a - Qualsivoglia ordine dell'Acquirente diverrà impegnativo solo se effettuato in forma scritta, anche via fax, e se espressamente confermato per iscritto dal Venditore, anche via fax.

3) CATALOGHI E LISTINI

a - Cataloghi, listini prezzi e altro materiale promozionale, benché redatto e fornito in buona fede, costituisce solo una indicazione del tipo di prodotti e di prezzi e le informazioni ivi indicate non sono impegnative per il Venditore; in particolare le fotografie dei prodotti non rappresentano un campione degli stessi.

4) CONSEGNA

a - Salvo patto contrario la consegna dei prodotti s'intende franco fabbrica e ciò anche quando sia convenuto che la spedizione o parte di essa venga curata dal Venditore.

b - I rischi di perimento passano all'Acquirente al momento della consegna dei prodotti al primo vettore o spedizioniere presso lo stabilimento del Venditore, indipendentemente da chi sia tenuto a sopportare le spese di trasporto. Con tale rimessa al primo vettore o spedizioniere il venditore ha adempiuto all'obbligo di consegna.

c - Il termine di consegna indicato nella Conferma d'Ordine è indicativo e non vincolante.

5) TERMINI E CONDIZIONI DI PAGAMENTO

a - Il prezzo deve essere pagato nel luogo ove il Venditore ha la sua sede.

b - Il Venditore può opporre il pagamento dell'intero prezzo come condizione della consegna dei prodotti.

c - In caso di ritardato pagamento rispetto alla data pattuita l'Acquirente sarà automaticamente tenuto a

corrispondere interessi di mora senza che vi sia bisogno di alcuna richiesta o altra formalità da parte del Venditore.

6) DENUNCIA DIFETTI

a - Qualora non l'abbia già effettuata, l'Acquirente ha l'onere di effettuare piena ed attenta verifica dei prodotti non appena questi gli siano stati effettivamente consegnati.

b - L'Acquirente decade dal diritto di far valere un difetto di conformità o un vizio o una mancanza di qualità dei prodotti se non ne fa denuncia in forma scritta al Venditore, precisando la natura del difetto, entro 10 giorni dalla data in cui i prodotti gli sono stati effettivamente consegnati.

7) GARANZIE DEL VENDITORE

a - Salvo il caso di dolo o colpa grave, in caso di difetto di conformità o di vizi o di mancanza di qualità dei prodotti, il Venditore sarà tenuto unicamente alla riparazione degli stessi. L'Acquirente non potrà esigere altri prodotti in sostituzione a meno che il difetto non costituisca una inosservanza essenziale del contratto e tale richiesta sia stata fatta al momento della sua denuncia. Rimane inteso che l'obbligo di riparare o sostituire i prodotti esclude ogni altra responsabilità del venditore per risarcimento danni.

8) LEGGE APPLICABILE

a - Il contratto è disciplinato dalla legge italiana e, per quanto riguarda le obbligazioni contrattuali, viene esclusa l'applicazione delle norme di diritto internazionale privato italiano e dunque ogni rinvio che esse dovessero fare alla legge di altri paesi o a convenzioni internazionali.

9) FORO COMPETENTE ESCLUSIVO

a - Per ogni controversia derivante dal contratto o ad esso connessa è competente in via esclusiva il Foro di Castelfranco Veneto (Tribunale di Treviso sezione distaccata di Castelfranco Veneto o Giudice di Pace di Castelfranco Veneto). L'Acquirente dichiara di conoscere ed approvare le condizioni generali di contratto riportate sul catalogo/listino prezzi e sul retro della proposta di commissione di cui in particolare approva specificatamente le clausole di seguito richiamate: 5b - pagamento del prezzo come condizione di consegna; 6b - decadenza dal diritto di far valere un difetto di conformità o un vizio o una mancanza di qualità dei prodotti; 7a - limitazione di responsabilità; 9a - foro competente esclusivo.

1) VALIDITY AND RIGHT OF CHANGE

a - Any contract between I.D.L. Export S.r.l. (from now on it will be indicated as "Seller") and a customer (from now on it will be indicated as "Buyer") concerning the supply of IDL articles will be regulated by the following General Conditions of Sale that replace all the previous General Conditions of Sales.

b - The Seller reserves the right to modify these General Conditions of Sale by enclosing the changes in the offers, in the order confirmations or in any other correspondence with the Buyer.

2) ORDER ACCEPTANCE

a - Any order placed by the Buyer will be binding for the Seller only if made in writing (also by fax) and only if confirmed in writing by the Seller (also by fax).

3) CATALOGUE AND PRICE LIST

a - Catalogues, price lists and advertising material are drawn up in good faith; anyway the information enclosed is not binding for the Seller and it serves as indication of the articles that will be sold and their price. In particular the pictures of the products do not represent a sample of them.

4) DELIVERY

a - Different agreement excepted, the delivery of the goods is supposed to be EX WORKS even if the parties of the contract decide that the Seller must take care of the dispatch or of a part of it.

b - The risk concerning the damage of the goods is transferred to the Buyer when the goods are delivered to the first carrier or to the forwarding agent in the Seller's premises. This risk passes to the Buyer independently of the part that must meet the transports cost. The Seller will fulfil the delivery's obligation by giving the goods to the first carrier or to the forwarding agent.

c - The delivery date indicated on the Order Confirmation is just indicative and not binding.

5) CONDITIONS OF PAYMENT

a - The price must be paid to the Seller's head offices.

b - The Seller can require the payment of the whole price as essential condition for the delivery of the goods.

c - In case of delayed payment the Buyer must automatically pay interests of arrears without any special

Seller's request.

6) NOTIFICATION OF DEFECTS

a - Unless the Buyer has already checked the goods, he must check them as soon as he receives them.

b - In case of conformity defects, vices or bad quality, the Buyer loses the possibility to exercise his right if he does not complain in writing to the Seller within 10 days from the receipt of the goods and by specifying the nature of the defect he is complaining about.

7) GUARANTEE

a - Fraud and heavy fault excepted, in case of conformity defects, vices or bad quality, the Seller must only repair the complained items. The Buyer cannot require the replacement of the products unless the defect represents an essential non-observance of the contract and if this request was made when this defect was declared. The replacement of the goods or the reparation of them let the Seller free from any other obligation concerning the claim for damages.

8) LAW ENFORCEABLE

a - The present contract is regulated by the Italian Law. As for the contract's obligations, the enforcement of the International Italian private law is excluded and also any reference to the international law or to the law of other countries.

9) SOLE COMPETENT FORUM

a - For any dispute concerning the contract the sole competent forum is in Castelfranco Veneto (Court of Treviso, Department of Castelfranco Veneto or Justice of Peace of Castelfranco Veneto). The Buyer declares to know and to accept the General Conditions of Sale indicated in the catalogue/ the price list and on the back of the trial commission order. In particular the Buyer accepts the following clauses:

5b - payment of the whole price as condition for the delivery; 6b - losing of the right to comply a conformity defect, vice or the bad quality of the products; 7a - limit liability; 9a - sole competent forum.

 La marcatura CE è la certificazione che definisce che tutti i prodotti IDL Export Srl sono verificati secondo le normative europee di sicurezza, in base alle norme seguenti:
The CE mark is the certification which defines that all products of IDL Export Srl are conforming the European security regulations, as per following rules:

CEI EN 60598-1	prescrizioni generali e prove / general requirements and tests
CEI EN 60598-2-1	apparecchi di illuminazione fissi per uso generale / fixed lighting equipments for general use
CEI EN 60598-2-4	apparecchi di illuminazione mobili per uso generale / mobile lighting equipments for general use
CEI EN 60598-2-6	apparecchi di illuminazione con trasformatore incorporato per lampade ad incandescenza / lighting equipments with built-in transformer for incandescent lamps

IP20 Indica la resistenza offerta dall'apparecchio alla penetrazione di solidi e liquidi, denominata con il codice IP (International Protection) e seguita da due cifre, 2 che indica il grado di protezione contro l'ingresso di corpi solidi (protetto per corpi di dimensioni superiori a 12mm) e 0, che indica il grado di protezione contro l'ingresso di corpi liquidi (non protetto).
Indicates the resistance given by the lighting fitting to the penetration of solids and liquids, stated by the code IP (International Protection) and followed by two digits, 2 which means the rate of protection against the entry of solid parts (protected against entry of solid parts with dimensions more than 12mm), and 0, which indicates the rate of protection against the entry of liquid parts (not protected).

 **CLASSE I** Apparecchi con parti metalliche costantemente collegate al circuito terra
Equipments with metal parts constantly connected to the earth circuit

 **CLASSE II** Apparecchi provvisti di doppio isolamento o isolamento rinforzato e senza dispositivi di messa a terra
Equipments provided with double insulation or reinforced insulation without earthing devices

 Apparecchi idonei a essere montati su superfici normalmente infiammabili
Equipments suitable to be fitted on normally inflammable surfaces.
